Shelter Movers is a national volunteer-powered organization that provides free moving and storage services to survivors fleeing abuse. In collaboration with local organizations and businesses, we support families transitioning to a life free of violence. By supporting Shelter Movers Ottawa, you will have an immediate and lasting impact in your community.

## The need

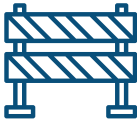

Abuse can affect anyone, but women and girls are disproportionately affected.

In Canada, a woman or girl is killed every other day, most often by an intimate partner or family member.

With demand for our services increasing by 40% through the pandemic, we moved **178 children and 37 pets in 2023.**

There are many barriers to leaving an abusive relationship. Beyond feelings of fear, shame and guilt, survivors of abuse report that **the logistical challenge and financial cost of moving are major barriers to leaving.**

Shelter Movers Ottawa has completed over 1200 moves since opening in 2017 and is currently moving, on average, **17 families per month.**

## Be part of the solution

Shelter Movers is entirely dependent on the generosity of individuals and businesses to fund volunteer training, vehicle and storage rentals, and interpretation services.

Be part of this growing movement. Your support changes lives!

## MOVING STORIES

# Unboxing New Beginnings

Join us for an Unboxing of New Beginnings on Friday Sept 20th, 2024 and hear about how Shelter Movers is giving families a chance at writing a new story for their lives.

We would like to recognize our partners and highlight the ways our organization's growth supports New Beginnings for our clients. Come lift a glass and enjoy the festivities at the Ottawa Art Gallery as we raise critical funds to support even more survivors for 2024/2025.

Hear from our volunteers, community partners, donors, and most importantly, survivors.

We will highlight the alignment of partners, communities, and local services that allow us to reach those in need and grow our impact. Hear about our progress in our rural expansions, community response systems, and education programs for our community partners.

During the event, enjoy some spectacular entertainment, auctions, cocktails, appetizers, and a new mystery game element, all while surrounded by those who support survivors in our community.
